Dear TSU 2019 New Grant Award Recipient:

Congratulations on your 2019 grant award(s). The Division of Research and Sponsored Programs (RSP) would like to recognize you for your efforts in securing funds and resources for scholarly activities at TSU including research, teaching, student/faculty development, curriculum development and enhancement, training, and outreach to the community. Since the Research Symposium was cancelled due to the outbreak of the coronavirus this semester, we were not able to formally recognize you at the symposium as planned. However, we would still like to provide you with your certificate of recognition, which is enclosed. Further, we highlighted all of the investigators of new 2019 awards in the RSP Spring 2020 Newsletter (sent via University Communications on April 28, 2020 and also posted on RSP's website). Again, congratulations on your accomplishment! Please let RSP know how we can assist you in any future scholarly endeavors. Thank you.

Sincerely,

Frances Williams, Ph.D.
Associate Vice President
